Publication Rights Agreement

(Each author listed on the title page must complete and return this form at the time of manuscript submission.)

In consideration of OceanSide Publications, Inc. (“OceanSide”) evaluating the manuscript, including all tables, graphs, and photos which form a part thereof, entitled: _____

(Manuscript number # _____ [from submission site]) hereafter referred to as the “Work,” for publication in the Open Access journal, *Journal of Food Allergy* and possibly publishing the Work, the undersigned author(s) agree to the assignment of the following Publication Rights, for both electronic and print versions of the Work, in the event the Work is published.

Journal of Food Allergy (JFA) is an Open Access journal, which publishes under the [Creative Commons License Deed](#). In the event the Work is published, the author(s):

1) agree to and accept the terms of the [Creative Commons License: \(Attribution - Non-Commercial-NoDerivatives 4.0 International \(CC BY-NC-ND 4.0\)\)](#).

2) agree to and accept the *JFA* [Terms and Conditions of Use](#);

3) retain the copyright privileges to their Work;

4) grant Oceanside exclusive license and rights for all “commercial use” regarding the Work and the rights to assign and transfer the rights granted herein. For the purposes of this agreement, “commercial use” means use in any manner that is primarily intended for or directed toward commercial advantage or monetary compensation and in this context includes use of the Work, in whole or in part, alone or in compilations, in all formats and media and by any method, process or device, and through any channels, now known or later developed.

Each of the undersigned warrant(s) that: a) he or she has full power to enter this agreement; b) the Work is original Work in which they have participated in writing; c) neither this Work nor a similar manuscript has been previously published (except in abstract form); d) this Work is not currently under consideration by another journal; e) the Work shall not be submitted for publication elsewhere while under consideration by *Journal of Food Allergy*; and f) the Work does not infringe upon any copyright or other proprietary right of any third party.

Option 1. One author signs on behalf of all authors (or themselves in case of a single-authored manuscript.) *Choose this option if the undersigned author warrants that he/she is authorized to sign on behalf of him/herself and, in the case of a multi-authored Work, has received written permission from each co-author to sign this agreement on his or her behalf, to accept the terms herein and to grant the exclusive license and rights for all commercial use.*

Conflict of Interest

Journal of Food Allergy requires all authors to acknowledge on the title page of their manuscript, all funding sources that supported their work as well as all institutional or corporate affiliations of the authors. Authors are also required to disclose to the Editor, any commercial associations that might pose a conflict of interest by completing and submitting the forms below at the time of manuscript submission.

These conflicts of interest include consultation arrangements, stock or other equity ownership, patent licensing arrangements or payments for conducting or publicizing the study. The disclosure will be held in strict confidence during the review process and will not influence any editorial decisions. However, if the paper is accepted for publication, the Editor will determine how any conflict of interest should be disclosed.

Note: Each author listed on the title page must complete and return a separate copy of this form prior to publication. Forms should be uploaded at the Journal submission website, <https://jfa.msubmit.net>. Alternatively they may be mailed to the above address, emailed, or faxed to the number below.
